

Achieving The Dream Through Education (ATDTE)

APPLICATION PROMPT/EXAMPLE SHEET:

What are your dreams/goals for your future?

- “Learning to sew, craft, start my own business.”
- “My goal is to play hockey professionally and inspire others.”
- “I want to be a chef and make meals that are based on my culture.”
- “I want to improve my public speaking using.”

Dreams and goals can be anything you are inspired to do; it doesn't have to be right now, but it can be something you hope to be able to do or want to do in the future. The sky is the limit!

How would being awarded this bursary help you achieve them?

- “I could use it for supplies, materials or to develop the skills in workshops.”
- “I can use this bursary to purchase equipment.”
- “Being awarded this bursary can help me get safe food handling certification, and I can start practicing recipes.”
- “It can help me with creating new content and go to more workshops.”

Get creative and think outside the box. Try and be specific on what kind of supplies or materials you might need such as, clothing for work or yourself (Safety clothing or shoes), Electronics (Laptop, or phone to help you start making connections), a gym membership to stay active, or any kind of training that can help build your skills!

What is the academic or personal accomplishment you're most proud of, and why?

- “Staying focused on school, myself and culture, and my goals.” (Things that are important to you!)
- “Learning something new.” (Fishing, hunting, how to craft a skirt, hat, etc.)
- “Staying positive while I'm missing home.”
- “Practicing my culture to stay culturally connected.”
- “Working hard to make myself or the people I love proud.” (Siblings, mom, dad, grandparents)

This answer can be focused on school and you. Think of something you were proud to learn in school or at home with your family that inspired you. (It can be a cultural teaching, a life skill, any kind of art you are proud of, or even being a role model for others.)

If achieving the dream is unable to support your dream (goal), what other supports have you found?

- “I've applied for other awards and bursaries also, and am hoping I am selected but if not, that is okay.”
- “I will try and get a summer job to help supply the things I need to reach my goal and try again next year.”
- “My community has workshops that I can attend to keep learning.”
- “I will keep trying new things and practicing what I love to do the most!” (Which is?)

This is a problem-solving question, and it will help you figure out if there are other supports to help you achieve your dream. It will also show us how resourceful and hard working you are to reach them on your own.
